SERVICES PROVIDED

Space Planning, Engineering, Architectural + Interior Design, [FFE] Furniture Furnishing + Equipment, Lighting Design.

PROJECT HIGHLIGHTS

located in the heart of the fashionable shopping district on Worth Avenue in Palm Beach Florida, **Le Bateau** is an authentic French-cuisine gourmet restaurant. **AOF** and its consultants' design called for two main sections; an exquisitely French detailed dining room and an information café area. Designed with the intent of being regarded as the culinary crown jewel of Palm Beach, some of Le Bateau's amenities include curved banquetts upholstered in rich velvet with custom mahogany framing, a fourteen foot wide octagonal illuminated hand-painted and etched glass ceiling, a custom refrigerated wine cellar and a custom fabricated twenty-foot long salt-water aquarium.
