

ART OF FORM
ARCHITECTURE

Time Warner Cable

INDUSTRIAL DESIGN

LOCATION
Newburgh, NY

PROJECT TYPE
Renovation

PROJECT SIZE
75,000 sq. ft.

ASSIGNMENT

Time-Warner desired to renovate this existing large space that would meld a multitude of departments and functions into one nerve center for several hundred employees.

RESULT

Art of Form helped Time-Warner unite their Technical Support, Equipment Maintenance, Account Servicing, General Administration, New Construction, and Operations areas enabling them to bring diverse number of functions and teams together under one roof and make it work.
